2021

## AmCham **Guatemala**

AmCham Guatemala believes that economic development is essential for growth and well-being. We recognize that individual endeavor and initiative of each society member is the key. The rule of law, respect for property and individual freedom must be guaranteed by all authorities, since they are essential to achieve a better standard of living in the country.

---

---

## Mision

To be a leading, proactive organization capable of having a positive and long-term impact on its associates, the community and the government by promoting trade relations between the United States and Guatemala.

---

## Vision

To promote commercial relations between Guatemala and the United States, by reinforcing economic activity, free enterprise and to take the lawful interests of its members to a higher level, through the encouragement of social responsibility.

## Value proposal

- Information for business decision making
  - Business meetings and events
  - Key business contacts
  - Training and education to improve productivity
  - Business tools
  - Approaching government officials in the U.S. and Guatemala
  - Bilateral trade
  - Business network facilitators
-

## ¿What is **Global Membership**?

Through the benefits granted by the chamber to its associates, the global membership aims to provide an international experience through alliances, networking, advice from different countries, international collaboration, global recognition and support in the professional development of your company.
